

USA BORDERS & OCEANS

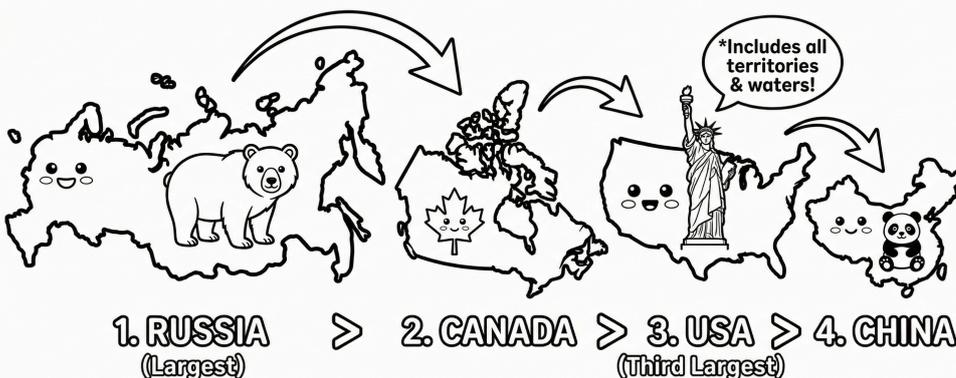

The USA shares land borders with Canada and with Mexico.

The border shared with Canada is the longest international border in the world.

It is 8,891 km/ 5,525 miles long. The other international border of the USA with Mexico is 3,145 km/ 1,954 miles long.

The USA borders the Atlantic Ocean along the East Coast and the Pacific Ocean along the West Coast.

USA: 3rd Largest Country!

The USA is the third largest country in the world.

The USA are smaller than Russia or Canada, but larger than China, if all territories as well as coastal and territorial waters are included.
